

To analyze the Ethical Dilemma

Mode: Le nom du participant sera enregistré et affiché avec ses réponses

1. Who are the people who may be affected by this situation?
2. What ethical issues are contained in this situation (what are the fundamental values at stake here: personal, professional, institutional, cultural and other values of the country?)?
3. Specify the law, rules or regulations (written standards) that may apply to this situation?
4. What are the habits, traditions, ways of doing things, moral principles (unwritten norms), cultural or intercultural aspects?
5. What would you do if you were the social worker? And why is that?
6. What are the new ethical dilemmas that may arise from your decision? And for whom?
